

Why

www.kidsizesolution.com

40%
of online sales
are returned

75%
of returns
are due to bad fitting
We can't
guess the
right size

Source: kidsize project

How it works

Choose the
product you like
and access
kidsize

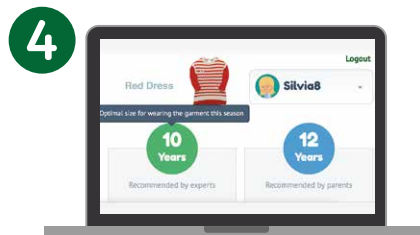

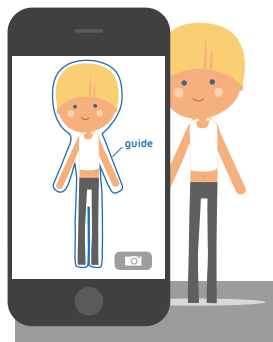

2

Download
the app
and sign in

3
kidsize
obtains the child's
3D shape from
two pictures and
measures it
digitally

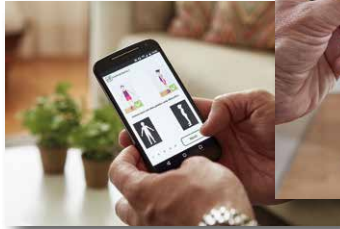

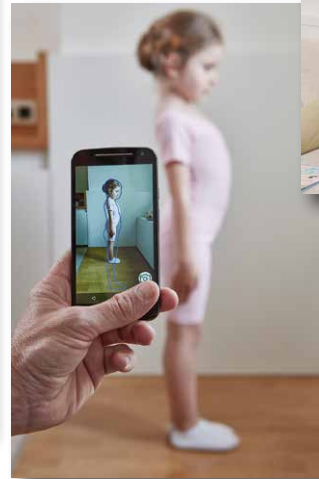

Back to the website,
kidsize recommends the
best suited size
for the child

At last we can go shopping and
get the right size
without trying the clothes on!!

Measure your child in 3D

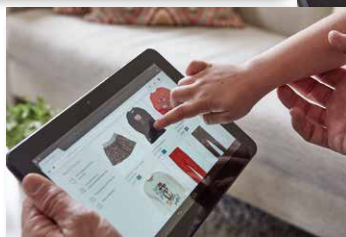

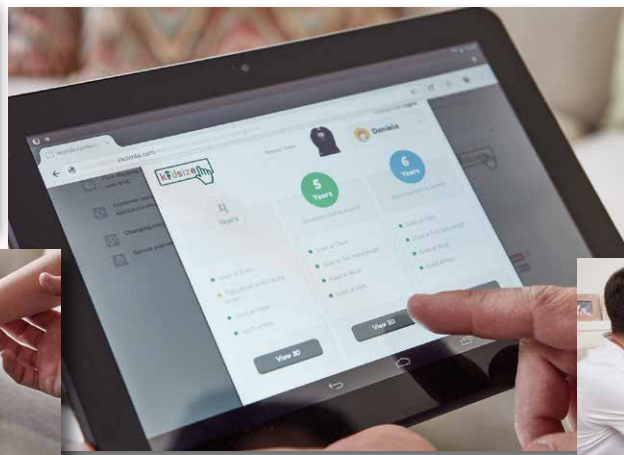

★ Get your child in **3D** with **2 pictures**

★ Get more than **30** body dimensions with **1 cm** precision

★ Prototype app for beta testers

Get the right size for your child

★ **90%** right size recommendations

★ **Brand's advice:** right size for wearing the garment straight away

★ Traffic lights tell you how it fits at key body areas

★ **Parents's advice:** best fit to allow room for the child to grow
